

June 9, 2008

Dear Parents,

Welcome to the 2008-2009 St. Stephen School Year. I would like to take this opportunity to introduce myself and the rest of the Home School Association officers.

The Home School Association is responsible for coordinating all of the fund raising activities for the year. The activities include everything from major events such as the Walk-a-thon, the Magazine Drive, and the Candy Drive, as well as smaller events such as collecting used printer cartridges and cereal box tops.

I will be serving as the Association's President and Mrs. Diane Cox as Vice President. Mrs. Mary D'Agostino and Mrs. MaryAnn Curtis will be serving as Secretary and Treasurer, respectively.

Fund raising accounts for a significant portion of the school's operating budget and none of the events are possible without the help of many volunteers. A volunteer sign-up sheet is enclosed. Please consider donating your time and talents to helping the school. Your involvement has a real and positive effect on all the children at St. Stephen School.

We are always looking for new ideas to help the school. Please feel free to contact myself or any of the officers with comments and suggestions.

Sincerely,
Laura Ehle
HSA President
